MOBILE DETAIL

The only official car cleaning service of the Atlantic City Classic Car Show & Auction

ecoShine uses an advanced system to clean, polish and protect your vehicle using the latest nanotechnology polymers to safely clean, polish, and protect your vehicle and have it looking its best.

The Atlantic City Classic Car Show and Auction organizers worked with ecoShine to offer special pricing and packages for all registered entrants in the show and auction.

ecoShine looks forward to helping you keep your cars looking great during the show.

gold ecoShine service: The perfect service if your car is relatively clean, but it just needs a bit of work to remove surface grime and deposits. We will clean, polish, and protect the exterior, dress the tires, and make the exterior windows sparkle...\$45

showroom ecoShine service: Everything in the basic with the addition of cleaning the interior including the dash, center console, instrument panel, door trims, and follow with a vac of the carpets and floor mats. We top it off with our showroom finish application...\$90

**we also have some ala carte services:

clay bar treatment: Fallout is the enemy of every car finish. It's in the air we breathe, it's on the roads we drive, and it attaches to your car's paint. The perfect solution for crystal clear, super smooth paint. Give your car a facial. **Prices start at...\$75**

mirror finish: Leaves the outside of the car looking like, well, a mirror. Brings out the color and enhances the overall look of the vehicle. Many people say it looks better than when they bought the car. See your car in Hi-Def! **Prices start at...\$40**

engine bay detail: We enhance the overall look of the engine compartment, this is not a degrease; however this product leaves the engine looking fantastic **Prices start at...\$30**

showroom protection: The car is spotless, but has some rogue smudges, dust, and other loose contaminants. ecowash to the rescue with a clean, effective overall clean up of the outside and inside of the car...\$15
